WHEELER & WILSON

THE NEW

The Wheeler & Wilson Sewing Machine Company, having lad eighteen years experince in manufacturing and selling Sewing Mochines, and employing the abiest mechanical alculut this country and in Europe, new offer the public

THE NEW MACHINE,

confident that it possesses all the advantages which experience has shown essential to a perfect Sewing Machine.

The principle to the same as in the Old Wheeler & Wilson Machine, but changes have been made which increase tto efficiency, while at the same time less care and skill are required in the management. Seams are erosect with ease. The work guided with scarvely an effort. Nearly double its former power. No under tention to manage. Every joint can be tightened as fast as it weers.

Over 700,000 Have Been Manufactured and Sold 200,000 More Wheeler & Wilson Sewing Machines

have been sold for family use than any other make.

We recommend our customers in the country to purchase their machines direct from our Agents, as the price is the same as at our offices, and they can thus secure, at their own houses, the necessary instructions. WM. MUMNETE & CO., Concrat Agenta, Louisville, Ky.

Oenerst Agenta, Loutsville, Ky.

Persons tiving in either Lincoln or Garrani counties can purchase machines from our agent for those counties, Mr. T. K. itsekty, at Lonivelle prices, and full instructions will be given by him at the house of purchaser free of charge. Letters addressed to him at Lowell, Ky., will receive prompt attention.
